A Letter from Our Evening Of Hope Chair

Dear Friends,

Fertile Future is a national charity that aspires to ensure every young Canadian diagnosed with cancer has the choice, opportunity and means to have a family of their own. Our mission is to ensure each young Canadian diagnosed with cancer is aware of their options for fertility preservation at the time of diagnosis and to ensure they have access to these options. Our top values are Hope, Family, Compassion and Choice.

On Saturday, October 8, 2016, Fertile Future will host “The Great Hope Hootenanny” at the Lone Star Ranch in Ottawa. Guests will enjoy a fall family harvest fair with great food, musicians, kids games, bouncy castle and more, while raising funds to support men and women in our community at risk of losing their fertility due to cancer treatments.

As Executive Director of Fertile Future, it is truly a privilege to be involved with this organization and to chair this event. I invite you to help support Fertile Future by sponsoring this special day. Additionally, we welcome any donations for the silent and live auction.

Your contribution to “The Great Hope Hootenanny” honours every person who has been touched by cancer, and helps those who may be affected in the future.

Sincerely,

Jessica Séguin
